

Hillsborough County ARES/RACES

presents

Emergency Communications Fair

A forum for the understanding of emergency communications
and the role amateur radio plays

Saturday, June 2

10 A.M. – 1 P.M.

Hillsborough County EOC

Hillsborough County ARES/RACES is proud to sponsor an Emergency Communications Fair. This event will bring together those interested in communications from an EmComm perspective for the purpose of an open exchange of information related to amateur radio's role in emergency communications. This event targets ARES/RACES, CERT, and members of other first responder groups. Come and network with others involved with emergency communications. There will be exhibits; demonstrations of emcomm equipment; and speakers from the amateur, CERT and professional emergency communications communities.

Schedule of Events:

10:15 am **Amateur Radio's Role in EmComm an Emergency Management
Prospective**

Larry Gispert, KR4X, Director; Hillsborough County Emergency Management
